A newspaper is to furnish news and it is also to mold sentiment.

Taft has enough delegates to nominate him at Chicago on June 16.

The Republicans will have a full set of candidates for county officers.

The Republicans of Missouri are united this year, hence we should get results.

We are still looking for those candidates that are in the hands of their friends to come out.

It is to the interest of each candidate on the Republican ticket that the full Republican vote is poled at the August primary.

County candidates are all about announced. As yet there are no candidates from the Republican side for coroner, surveyor or Public administrator.

Some one has said that while a newspaper is to give the news yet it is without effect if it has no expressions of its own. The editorial column of a paper is strong hold of that paper.

All Republicans that want office should come out in the different newspapers in the county, but as it is too late for

that now they must declare their willingness to accept the office by midnight on June 5th.

We have been county central committeeman from court house precinct for two terms and as that is the rule, two terms and out we shall not be a candidate for the place but give away to our friend John Sachse. Let every Republican vote for John.

The four delegates at large to the Democratic convention are Gov. Folk, senator Stone, James A. Reed and David R. Francis. W. H. Miller of this county was elected as elector from the 14th congressional district. From the looks of these delegates one would naturally infer that the Democrats had gotten together.

Judge W. N. Evans of West Plains, Democratic candidate for governor of Missouri made a speech at the court house here last Saturday. Mr. Evans defined his position and made a plain, practical way. We do not know just how well some of his Democratic hearers liked his speech. They had little to say about it.

We believe that Ben Adams is right, though we may not fully understand what he means when he says there are some Republican candidates running on suspicion. One thing is certain, that candidate that wants to reach all the readers in the county and fails to recognize the Cape Girardeau Democrat and the Jackson Herald will find it rough sledding. What do you say Ben?

Now that the campaign is about to start in earnest, you should come in and subscribe for the Herald and if you are all ready a subscriber come in and extend your time. The Herald will give you the campaign news as it sees it and will always have an opinion on any subject. The Herald editor tries not to be extreme on any thing as an extremist is not good any where, but we do like enthusiasm on any subject that seems right.

The editor of the Dunklin county Democrat is on for a paper at the Missouri Press Association at Excelsior Springs the last of this month. The subject of the paper is Legal Advertisements. We have heard the editor discuss the paper before and it is to the point. If the facts concerning legal advertisement that the advances could be agreed upon by the editors of the state or enacted into laws they would greatly increase the revenue of every newspaper in the state.

YOU WON'T MIND Taking COD LIVER OIL This Way

C. O. D. TABLETS present cod liver oil to you in the form of a dry, easily swallowed tablet which leaves no unpleasant or sickening taste in your mouth. ALL the good qualities of the best Norwegian Cod Liver Oil are contained in these tablets and ALL the objectionable qualities of the oil are absent. These tablets excel the plain oil in many ways, a few of the most important of which we list below.

C. O. D. TABLETS are easy to take inasmuch as they have no repulsive taste or odor. The plain oil is very hard to take because of its disagreeable odor and taste.

C. O. D. TABLETS never cause that rising in the throat of a sickening, "fishy" taste or gas such as very often follows the taking of the plain cod liver oil.

C. O. D. TABLETS never upset the stomach or disturb digestion. The continued use of plain cod liver oil is certain to nauseate the stomach and seriously retard the process of digestion.

C. O. D. TABLETS not only possess all the valuable principles of cod liver oil but they also contain the Hypophosphites of Lime and Soda and a sufficient quantity of that gentle laxative, Licorice, to carry off any excess of oil should you take more of the TABLETS than your system can assimilate.

C. O. D. TABLETS are guaranteed to be better in every way than pure cod liver oil for the treatment of LaGrippe, Weak Lungs, Consumption, Wasting Diseases, Loss of weight, General Debility, Nervous Weakness, Malnutrition and all other ailments caused by an impoverished condition of the blood.
